## SMARTLCCK Stay Together

SMART LOCK Represents connection of pallet, lid and sleeve.

One part unit with lowest space. No Risk of break for fixed component during set up and fold a container.

Extremely fast folding - build up.

## **Push and Pull in SECONDS**

The Smartlock does not need any additional part for quick folding.

Its durability has also been tested and the results show that innovative SmartLock does not age or deteriorate. The advantages of the Smartlock is avaiable for all Hexapak Customers, which means it can be integrated into any given pallet enclosure.
